

Autumn Catch-up 2020

ALL Portsmouth Primary Hub

Thursday 15 October 2020 @ 16:00

Online (please contact Liz Lord for meeting link)

At our first meeting of this, very different, academic year for the Portsmouth Primary Hub, Marie Allen will revisit some of the ways in which she assesses her pupils' performance and records their progress.

Colleagues are also invited to share their experiences of teaching languages in 'times of Covid' and Liz Lord will set the ball rolling with a menu of teaching ideas and activities for the languages classroom.

To attend this meeting, please contact Liz Lord (Elizabeth.lord@port.ac.uk) and you will be sent a meeting link.
