

# ALL LOCAL GROUPS

## KEY

-  Branches
-  Networks
-  Primary Hubs

**L**ocal activity is a special benefit for ALL members and we are all hugely grateful to those members who freely give their time and energy to arrange events in primary hubs, branches and networks.

A look at the events listing on the ALL website (<http://tiny.cc/ALLEvents>) or the weekly ALLNet message is a celebration of the amazing range of things that go on around the country. You can also find a region by region list of ALL local groups on our website: <http://tiny.cc/ALLLocal>. These groups continue to expand in number, but, as this activity depends entirely on volunteers and is not centrally funded, the spread of ALL local groups is not even across the country.

If there is no local presence in your area, maybe you could get together with some professional friends to get something going? All you need to start is a venue and some like-minded people. You will find advice on getting started at <http://tiny.cc/AboutALLLocal> – follow the links to Branches (the larger, more formal local groups), Networks (the more informal, often smaller groupings) or Primary Hubs (the groups particularly supporting teachers in primary schools and those working on progression into secondary). These local groups are very supportive of each other and are happy to advise or offer ideas, and ALL hosts online forum groups for this purpose.

For more personal advice please contact [info@ALL-Languages.org.uk](mailto:info@ALL-Languages.org.uk) and your message will be forwarded to Steven Fawkes, ALL's Membership Officer, who will be happy to support you.
