Rachel Hawkes, Vivienne Rogers, Sarah Schechter, John Evans, & Jane Driver: Giving languages the X-Factor: competitions and creative initiatives to support language learning (Sponsored by Language Perfect)

Competitions and other initiatives motivate and inspire young language learners. At their best they also underpin learning and contribute to progression. Our panel, chaired by Rachel Hawkes, will share their underpin learning and contribute to progression. Our panel, chaired by Rachel Hawkes, will share their experiences of organising a range of activities from local initiatives to national and international challenges. They will show how participation raises achievement, rewards success and celebrates language learning. Everyone can benefit – learners, teachers, schools and even society at large.
