Language World 2012

Session List

**Friday
30/03/2012**

**Session: 3.2
Time: 12:15 - 13:00
Room: E7**

Vicky Gough: Developing your students as Global Citizens

This session will explore how developing your students as Global Citizens can support and add value to the curriculum and ethos of your school and support the teaching and learning of languages. It will provide information on the British Council schools programme on developing school partnerships, hosting a language assistant, and online resources to support the Global dimension. There will be opportunities for discussion with other practitioners as well as a case study.
