Language World 2012

Session List

**Saturday
31/03/2012**

Session: 7.3

Time: 11:55 - 12:40

Room: F6

Wendy Adeniji: Improving memory

Research says that we only use between 10-20% of our memories. As memory is such a vital part of language learning, pupils should be taught and reminded of memorisation techniques throughout their language learning journey. This session will demonstrate a variety of techniques which will help every learner to improve their memory.
