Language World 2012

Session List

**Saturday
31/03/2012**

Session: 8.2

Time: 13:55 -

14:40

Room: F14

Rachel Hawkes: ITE: Speaking: one skill or two? Findings, ideas, and strategies from the languages classroom

Project work undertaken recently in secondary schools has provided insights into the skill of speaking. Of particular interest is the notion that planned speaking implicates a different skill set from unplanned speaking; that both have an important place but that teachers might benefit from exploiting more fully opportunities for spontaneous or unplanned target language talk.
