[Language World](#) has been a key event for language teachers in all sectors for many years. Now that the Government has decided to make foreign languages a compulsory subject within the National Curriculum at Key Stage 2 from September 2014, there will be a new emphasis on primary at Language World this year.

Many primary schools will be anxious to know what 'statutory' languages in KS2 will mean for them, which is why ALL has been working with the Languages Education Team (formerly CILT) at CfBT to create a primary strand to the conference to inspire and support all those involved in teaching languages in primary schools.
