Language World has been a key event for language teachers around the UK for many years. With a new curriculum on the horizon, with languages as statutory for the first time at KS2; where how we teach at KS3 will be very much in the hands of teachers; with a revised EBacc performance measure and changes to GCSE and A level, there has never been a more vital time to get up-to-date and ready for a very different new future for languages in our schools.

Language World brings you the information you need from the people who know what's going on - and the opportunity for teachers across the UK to come together as a subject community to get support, advice and inspiration.
