Project Classroom Talk

Aims

- To use German as the means of communication with the teacher and other students throughout your German lessons

Project

Classroom Talk

Questionnaire:

(write the answers in the back of your book, we will compare them each half term to see if the % increases)

1. How much German does your teacher speak in the classroom (% of total speech)?
2. How much German do you use when talking to your teacher (% of total speech)?
3. How much German do you use when talking to other students (% of total speech)?

Secret Policeman

- Someone in the class is the secret policeman.
- They will take note of who uses the German classroom phrases the most.
- At the end of the class, the secret policeman will reveal him/herself.
- The person using them the most German phrases will receive a reward at the end of the class.
