Dear

Welcome to individual membership of the Association for Language Learning! Please cut out the card above as proof of your membership number for correspondence purposes and to attend our events.

ALL is an independent organisation, run by teachers for teachers, which serves the needs of languages teachers, departments and professionals throughout the UK.

- As a member, you will receive discounts at future Language World conferences, including our exclusive early bird offers.
- We will keep you up-to-date with all that's happening in the world of languages through our magazine, *Languages Today*, our online language specific journals, and our weekly e-bulletin ALLnet.
- Our new online jobs board allows you to browse specific vacancies for language teachers. Make sure you check in on a regular basis to see what's available on the Community pages of our website.
- We run low-cost national, regional and local CPD activities which are further discounted for our members. These events are run by teachers like you so they reflect the current needs of practitioners in the field. Details can be found on the ALL website and in ALLnet.
- ALL gives you the opportunity to voice your concerns on national issues affecting education and languages. ALL reps sit on all the major national bodies and committees for language teaching and language policy so that your concerns can be aired; we regularly consult with our members on the big issues in languages education and provide opportunities for discussion and comment.
- We give local members the chance to meet fellow professionals in their area and to become involved in local activities. You have been assigned a branch, but check the "Local" pages of our website to find out more.

If you joined online, you will have chosen a password as part of the joining process. If you joined by any other method and therefore did not choose a password for access to the online journals, please contact us on info@all-languages.org.uk.

We believe that being part of this big language teaching community in the UK will contribute positively to your expertise, knowledge and profile.

You can find out more about us on our website at www.all-languages.org.uk, keep up with what's happening day-to-day on our Facebook page or follow us on Twitter @ALL4language.

With best wishes,

Rachel Middleton
