Dear

Welcome to primary membership of the Association for Language Learning! Please cut out the card above as proof of your membership number for correspondence purposes and to attend our events.

ALL is an independent organisation, run by teachers for teachers, which serves the needs of languages teachers, departments and language professionals throughout the UK.

As a member of ALL, what benefits can you expect?

- We keep your department up-to-date with all that's happening in the world of languages through two free copies a term of our magazine, *Languages Today*, and our weekly email information list, ALLnet.
- We run low-cost national, regional and local CPD activities which are further discounted for our members. These events are run by teachers like you so they reflect the current needs of practitioners in the field.
- Staff in your school get discounts at the major annual UK languages event, ALL's Language World Conference and exhibition.
- ALL gives you the opportunity to voice your concerns on national issues affecting education and languages. ALL reps sit on all the major national bodies and committees for language teaching and language policy so that your concerns can be aired; we regularly consult with our members on the big issues in languages education and provide opportunities for discussion and comment.
- We give members the chance to meet fellow professionals in their area and to become involved in local activities. Our new primary hubs are a great way to meet other practitioners in your area and to share good practice and resources. Find out more on the "ALL local" pages of our website.
- Access to a huge range of primary resources through the "Support" pages on our website. All resources are approved by the experts on our primary steering group.

We believe that being part of this big language teaching community in the UK will contribute positively to the expertise, knowledge and profile of staff in your department.

You can find out more about us on our website at www.all-languages.org.uk, keep up with what's happening day-to-day on our Facebook page <http://www.facebook.com/alllanguages.org.uk> or follow us on Twitter [@ALL4Languages](https://twitter.com/ALL4Languages)
