8-9 July 2011

Join us at Language World and
follow our dedicated LinkedUp
training event.

This year, there's a special training programme alongside Language World 2011.
To celebrate the success and importance of the LinkedUp initiative, there is a dedicated training day running in parallel to Language World. It has been designed to meet the needs of languages teachers at all stages of their career, and provides a choice of workshops showcasing creative teaching strategies that have been successful in real-life classrooms.
