C'est faire les choses que vous aimez.

C'est quoi le bonheur?

Avoir la liberté de choisir comment vous voulez vivre votre vie.

Che cos'è la felicità?

È stare in compagnia, con la famiglia e con amici, e poter fare nuove conoscenze.

Che cos'è che ci rende felici?

I tempi belli che passiamo con loro, e i ricordi che poi rimangono.

¿Qué es la felicidad?

Es descubrir y aprender cosas nuevas cada día.

¿Qué nos hace felices?

Es ampliar nuestros horizontes y apreciar nuevas culturas.

qualis est beatitudo?

habere fortitudinem et audaciam ut perseveraret.

qualis est beatitudo?

virtus est et pertinacia ut difficultates superaret.

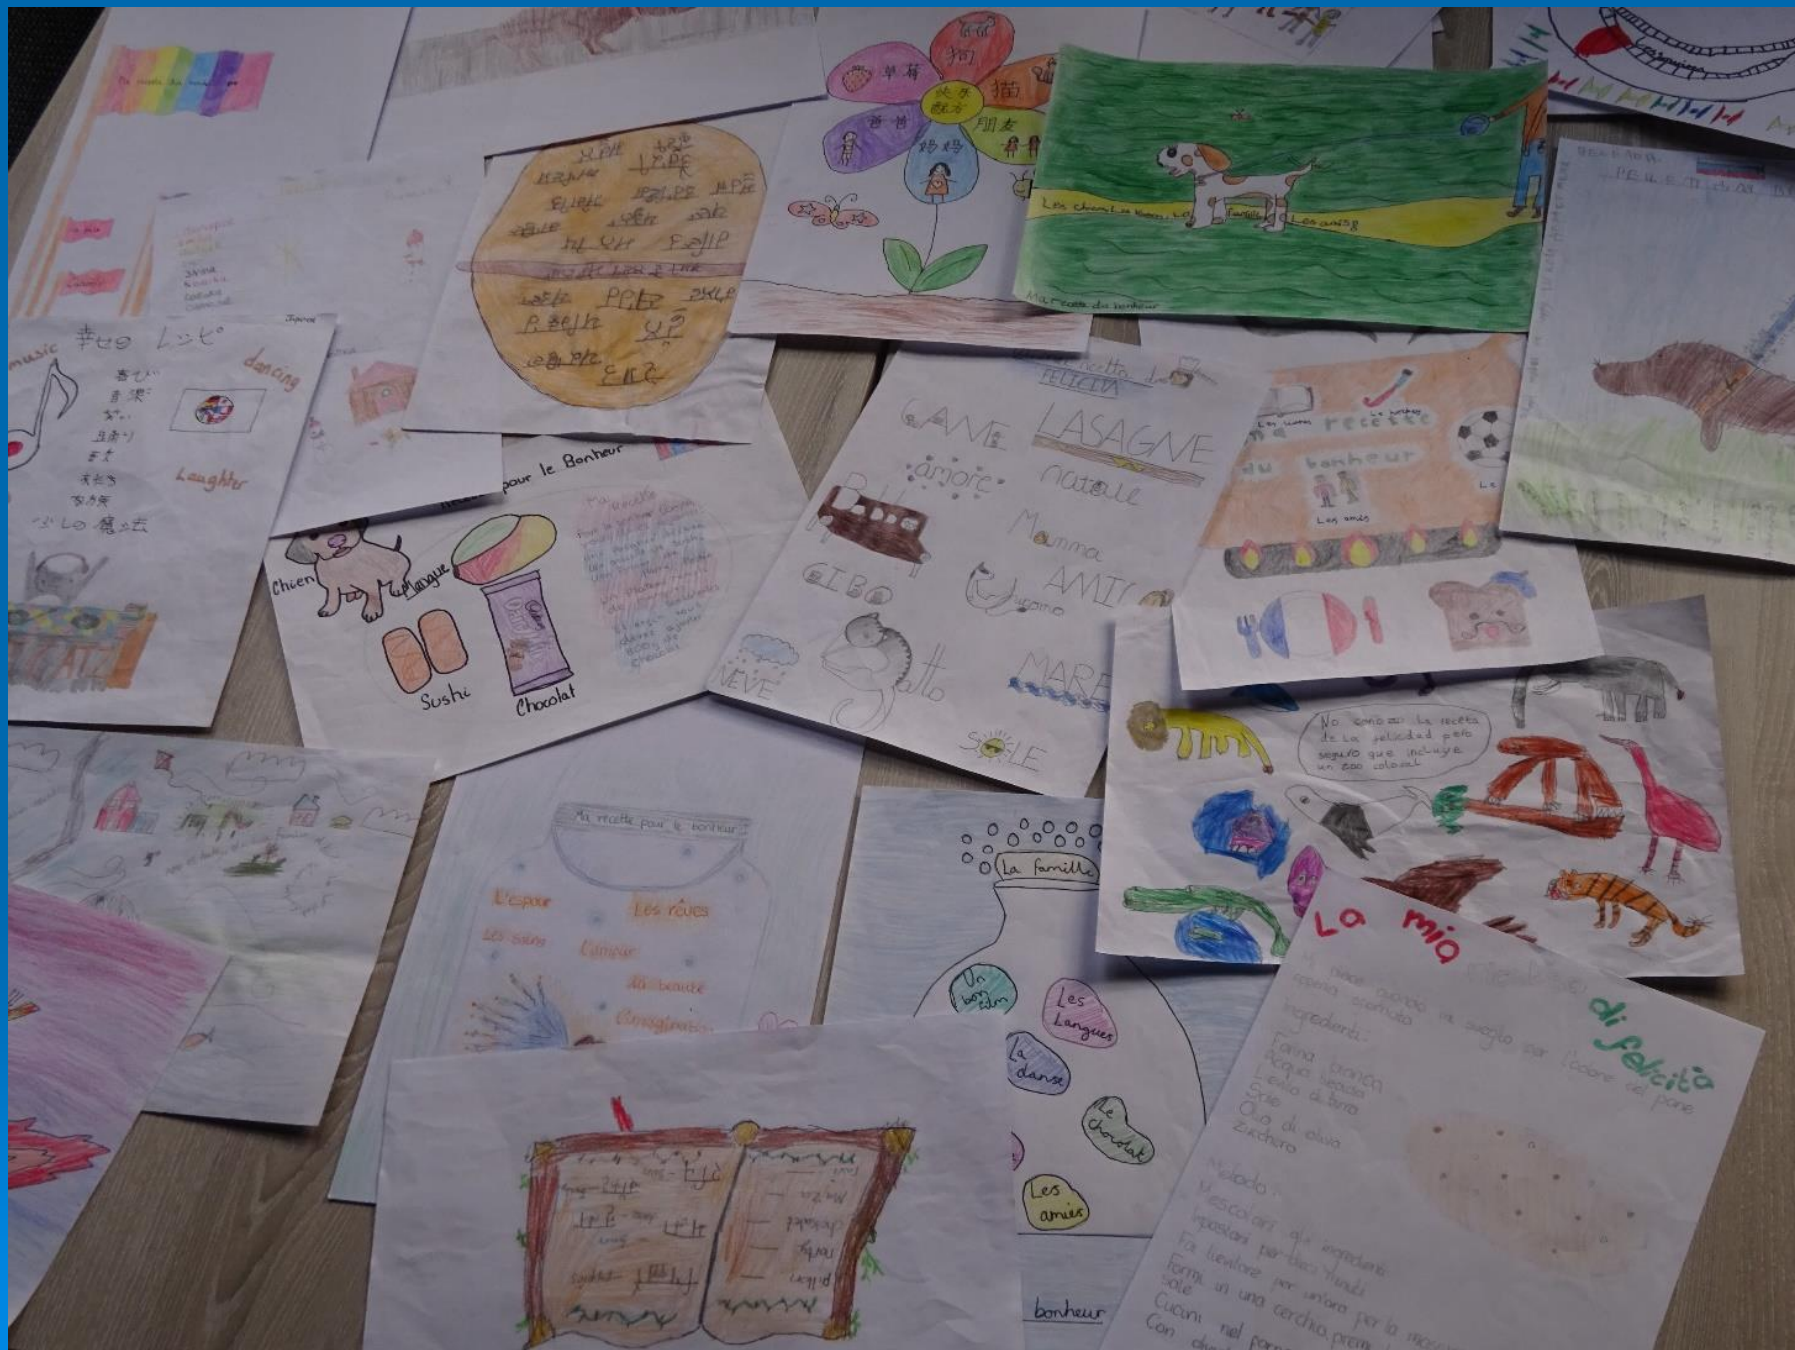

What is happiness?

It is reading a poem in five different languages, and understanding them all.

What is happiness?

Everything above, and so much more!
