

ELAPSE aims to develop primary and secondary language teachers' awareness of CLIL and soft CLIL methodology.

Practical resources and a good practice guide will be developed transnationally in French, German, Spanish and English.

The focus is on the transition between Primary and Secondary phases.

ELAPSE is funded by ERASMUS+ KA2 and led by LFEE Europe who has significant experience in leading projects and training for teachers across the UK as well as immersion courses across Europe.

Partners include:

- Association for Language Learning (UK)
- University of Vienna (Austria)
- L'Académie de Montpellier (France)
- CAFI, Xunta de Galicia (Spain)
- Centro de Formación del Profesorado en Idiomas (CFPI), Castilla y Leon (Spain)

Richard Tallaron, Director of LFEE Europe said: "We are delighted to be coordinating such an ambitious and exciting project. Working closely with ALL and other prestigious and experienced International partners will allow us to create innovative resources to support learning and teaching languages in the Primary/Secondary transition stage. We will also be able to integrate some of these resources into our Immersion Courses in France and Spain under the Erasmus+ KA1 programme".

Jane Harvey, ALL President said: "ALL is delighted to be a partner in the ELAPSE project and we are very much looking forward to working with our international partners and sharing the project results and CLIL materials and guidance we will produce with language teachers across the UK"

Over 2019 and 2020, ELAPSE will create:

- Resources for primary and secondary teachers
- Online guidance on good practice in integrating languages and interesting content
- Online training on the principles of CLIL and best practice

Resources aim to:

- Boost teachers' confidence in language teaching
- Support primary and secondary transition
- Inspire teachers to try a CLIL approach for the first time, or contribute resources to teachers already engaging with CLIL

Resources will include:

- 20 sets of lessons at upper Primary and lower Secondary level
- A focus on literacy, numeracy, STEM, Health & Wellbeing and cross-curricular activities
- A good practice guide
