

ALL Briefing No. 15

Date : September 2019

# Theme: What Primary Language coordinators need to know (3 of 4) Transition

## 1) Background:

ALL was funded by DfE to create training (and other resources) at the time of the most recent curriculum review. These are entitled 'ALL Connect' and are all freely available on line.

ALL members created the ALL Transition Toolkit to support teachers in Primary and Secondary schools.

## Key messages :

The ALL Connect **Transition Toolkit** is a practical, useful guide containing a set of 'tools' (ideas, strategies and resources), designed to inform the process of transition in languages teaching and learning between KS2 and KS3. It is a **comprehensive** work written by practising teachers and based on their experience.

# 2) Online support THE LANGUAGE MAGICIAN

is an award-winning online game for Primary children learning a language which serves to motivate learning, and also to capture relevant data on children's skills (Listening, Reading, Writing) which teachers can download and pass on to receiving teachers to inform their planning.

A range of support, courses and resources for professional development is available through ALL and others.

See the ALL Primary Supplement to Languages Today published September 2019. This is mirrored on the ALL website at : <u>https://www.all-languages.org.uk/primary-2/</u>

The Primary area of the ALL website also offers links to further guidance : <u>https://www.all-languages.org.uk/primary-2/guidance/</u>

Facebook users can join the LIPS (Languages in Primary Schools) group for support.

## 3) Networking opportunities

There are ALL Primary Hubs across England, providing information, training and opportunities to meet and talk with other practitioners in your area. To find your nearest group, visit: <u>https://www.all-languages.org.uk/about/community/local/</u>
