

Top tips for NQT

1. Teaching is a roller coaster- don't expect to be at the same place as everyone else

6. Surround yourself with positive teachers

7. The teaching community is amazing- use it! (if you want to)

2. Being busy doesn't mean we are being effective

5. Knowledge is power- be an expert in your subject

8. Strong relationships are the best behaviour management tool

3. There is no such thing as a stupid question: ASK

4. Children thrive from routine- build these as quickly as possible

9. We are always learning and improving. Don't expect to be perfect, EVER!

10. Remember why you entered the profession: its all about the pupils!
