GCSE French and German – Severe grading measures

Dear Sally and Roger,

Following today's announcement by the Secretary of State for Education and your own statement on how GCSE grades will be awarded this summer, we are contacting you on behalf of the Association for Language Learning (ALL) about the agreed 2% uplift for GCSE French and German.

As you will recall, schools were instructed earlier this year not to add the 2% to their French and German CAGs submitted to Ofqual in May 2020. It is therefore imperative that Ofqual informs schools immediately how this adjustment will now be made before the release of the GCSE results on Thursday.

We would welcome a statement on this to share with our members prior to Thursday.

Yours sincerely

Jane Harvey
