- Gives a full Year 6 class the benefits of small group learning via 2 teachers, teaching simultaneously online
- 5 online lessons per Year 6 class over the course of the week
- Lessons take place at the same agreed time with the same teacher/s each day
- Daily 1 hour lesson per Year 6 class
- 30 minutes with the teacher; 30 minutes on our online learning platform
- Gives children valuable access to Chinese language and culture

What: A fun and engaging Chinese week available online for all Year 6 children.

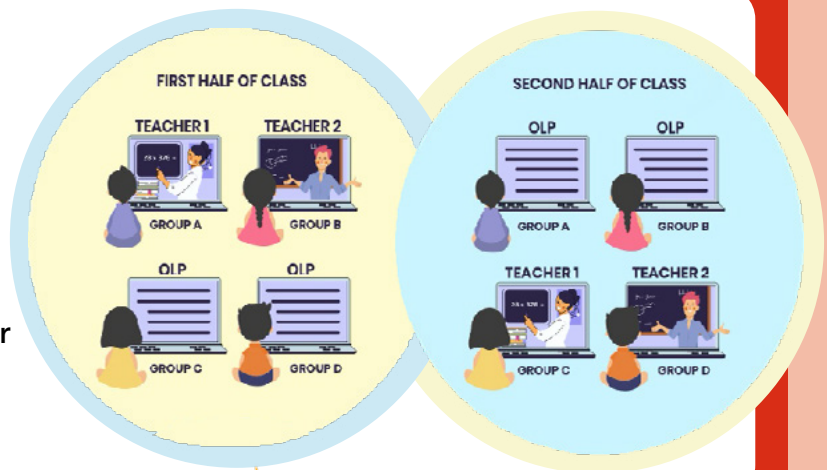

When: Perfect as an enrichment activity, running any time in June and/or July

Cost: £455+vat per Year 6 class, inclusive of 2 teachers per class, all materials, end of course results and certification!

How does it work?

We believe in small group teaching online! A standard class is split into four manageable groups, taught by two experienced teachers simultaneously over the course of 1 hour.

Children will either be with the teacher for the first half of the class or engaged on our Online Learning Platform before swapping for the other half.
