

وَقْفَة عَرَبِيَّة

جولة ثقافية في بلد عربي

Intercultural Awareness and Canva.com

In this activity with my Y11s, we embedded culture into our lessons. In this lesson we had to search for Arab countries' information and facts to create a leaflet for a travel agency. Students had the opportunity to present their findings in different ways, some of them preferred to use Google slides and others preferred to use Canva.com.
