Students will develop language skills, cultural awareness creatively through attending free online or physical workshops.

Shubbak Festival digital and live offer for KS3, KS4 and 16–18 years old students which gives them access to the festival's public facing programme.

1. Shubbak presents the first episode of a new **interactive webinar** series supported by QFI for children and young people ages 12+ highlighting the creativity and innovation of Arab artists. It is taking place on **Monday 5th July, 1pm (BST)**. Over 30 minutes, two artists explore identity through the themes of heritage and migration. See the webinar pdf.

2. Shubbak Festival's free ticket scheme has rich events, both **online & physical**, that you are invited to. We will book and facilitate the visit and also help with travel costs where we can. Alongside visits we are able to offer the opportunity to meet the artist and have a Q+A. If this is something you are interested in please let us know in the form. See the Free Tickets pdf.
