# DfE Roadshows for Curriculum and Assessment Review

---

- The Curriculum and Assessment Review will look closely at the barriers which hold children back from the life chances they deserve and ensure curriculum and assessment is cutting edge, fit for purpose and meeting the needs of children and young people to support their future life and work.
- We are holding a series of national roadshow events across each region in England, to gather the views of experts, parents, teachers, leaders, students and employers. These views will be pivotal to the recommendations, so that we draw on the wealth of expertise and experience across the entire sector.
- Attendees will have the opportunity to hear directly from the chair of the Review, Professor Becky Francis CBE, as well as other panel members. There will be opportunity to ask questions, discuss key topics and themes with other attendees, and feedback your thoughts directly to the panel.
