INFO:

Spelling Bee

For year 7s
French, German and Spanish

"With research-informed word lists now cross-referenced and updated to comprise high frequency words that appear on all three (AQA, Edexcel, Eduqas) new GCSE vocab lists, the aim of the Foreign Language Spelling Bee is for students in Year 7 to practise and improve their vocabulary, spelling, pronunciation and memory skills in the target language"

Translation Bee

For years 8 & 9
French, German, Mandarin and Spanish

Offering direct progression from the Spelling Bee competition comes the Translation Bee. Building on the requirements of the new KS3 curriculum, with its emphasis on translation and grammatical manipulation etc, the aim of the Translation Bee is for students to practise and improve a range of skills vital to preparation for starting a GCSE course: vocabulary, pronunciation, memory, verb conjugation, tenses, sentence formation.

Primary Bee

For years 5 & 6
French, German & Spanish

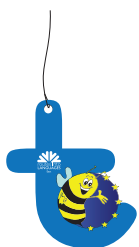

The aim of the Primary Bee is for students in who have started learning a foreign language ab initio in KS2 to practise and improve their vocabulary, pronunciation and memory skills in the target language (French, Spanish and German).

Spelling Bee

For year 7s
French, German and Spanish

"With research-informed word lists now cross-referenced and updated to comprise high frequency words that appear on all three (AQA, Edexcel, Eduqas) new GCSE vocab lists, the aim of the Foreign Language Spelling Bee is for students in Year 7 to practise and improve their vocabulary, spelling, pronunciation and memory skills in the target language"

Translation Bee

For years 8 & 9
French, German, Mandarin and Spanish

Offering direct progression from the Spelling Bee competition comes the Translation Bee. Building on the requirements of the new KS3 curriculum, with its emphasis on translation and grammatical manipulation etc, the aim of the Translation Bee is for students to practise and improve a range of skills vital to preparation for starting a GCSE course: vocabulary, pronunciation, memory, verb conjugation, tenses, sentence formation.

All three Bees run in stages, spanning the school year (officially launching on the European Day of Languages, 26th September), with regional finals (numbers permitting) held in each of the nine regions of England and National Finals at the University of Cambridge (end of June/beginning of July).

Other available projects are the Language Leader Award, Languages Challenge and LinguaMaths

More information is available on the Routes into Languages website: www.routesintolanguages.ac.uk or email Sarah Schechter: ss2431@cam.ac.uk

Unfortunately, now that government funding for Routes into Languages has ended we're having to charge for most of our projects.

If you'd like to proceed with any of the above projects, you can pay at <https://languageprojects.github.io/> and you'll be sent details of how to register.
