Language courses
What were the needs identified?

- Primary teachers needing to be upskilled to teach Spanish, with the introduction of a language at KS2
- To develop long-term relationships with partner schools in Madrid for both primary and secondary colleagues

How were the needs met?

- Found partners for each school through the Comunidad de Madrid, External Relations Dept
- Set up 7-day courses in Madrid and Salamanca for mainly primary teachers and other school staff between 2016 and 2022 which included 2 days in schools + language training
- Helped UK schools to complete the application form
- Schools took up to 10 teachers each either in the same year or over 2 years
- Ran these during the Easter holidays or October half term

Key Action 2 Partnerships including staff and pupil mobility

School partnerships

- St John of Jerusalem Primary ran a 2-year project on Becoming an Eco school with their partner in Madrid: built on previous visit to school during the training course; staff and pupils from both schools visited; outcome – displays in both schools, public meetings, policy development

- Orchard Primary ran a 2-year project on Art with their partner school in Madrid; built on previous contact; involved the Art specialists; exchanged art project work; held Art exhibitions; staff and pupils from both schools visited.
